

## AI Declaration Form

### Azmi Khalid Constitutional Law Essay Writing Competition 2025

#### DECLARATION OF AI USE

I, [Full Name], a participant in the *Azmi Khalid Constitutional Law Essay Writing Competition 2025*, hereby declare the following regarding the submission titled:

**Essay Title:** \_\_\_\_\_

#### 1. AI Usage Declaration:

- I confirm that my essay is my **own original work**.
- I **have/have not** used any AI tools, software, or language models (e.g., ChatGPT, Copilot, Bing AI, etc.) to aid in drafting, editing, researching, or generating content.

**I HAVE NOT used AI tools.**

**I HAVE used AI tools for the following purposes** (tick where applicable and describe):

Idea generation or brainstorming: \_\_\_\_\_

Grammar or spell-checking tools: \_\_\_\_\_

Summarization or paraphrasing: \_\_\_\_\_

Research assistance or fact-checking: \_\_\_\_\_

Other purposes (please specify): \_\_\_\_\_

#### 2. Extent of AI Contribution:

If AI tools were used, I affirm that such use is limited to minor assistance only. The **substantive arguments, reasoning, structure, and overall content** of this essay reflect my independent thoughts and work.

#### 3. Proper Disclosure and Citation:

If AI tools contributed to specific portions of the essay, I have appropriately **acknowledged** and **cited** their use in my footnotes or bibliography, as required under the competition guidelines.

**4. Originality Assurance:**

I understand that:

- Essays will be subjected to AI detection tools and plagiarism checks.
- Any essay found to have been substantially generated by AI, without proper disclosure, will be **disqualified**.
- Falsification of this declaration will result in disqualification and may impact future eligibility for competitions or programs organized by the faculty.

**Participant Details**

Full Name: \_\_\_\_\_

University/Institution: \_\_\_\_\_

Student ID Number: \_\_\_\_\_

Email Address: \_\_\_\_\_

**Signature:** \_\_\_\_\_

**Date:** \_\_\_\_\_

**Important Notes for Participants**

1. While tools like grammar checkers (e.g., Grammarly) may be used, participants must not rely on AI to generate or replace critical thinking, argument development, or writing.
2. Essays flagged for excessive AI generation or unoriginal content will be reviewed by the committee and judges, whose decision shall be final.
3. Proper citation of AI tools is mandatory where applicable, just as with other references.
